## General Information

The Extended Day Care Program, or EDC, is a before and after school child-care program offered for students in grades K-6. The program is held at our Baker, South Valley, and Roberts Elementary Schools, as well as our Upper Elementary School. Morning sessions begin at 7:00 am and run through the start of the school day. Afternoon care begins at the end of the full-time student's school day and is available until 6:00pm. Enrollment is on a first come, first-served basis. **All children must be fully bathroom independent to enroll in and attend EDC.**

Our goal is to provide an enjoyable and age appropriate program that complements our academic experience. Activities are designed to provide homework support, encourage creativity, and nurture exploration. During the morning session, students will participate in small group games, free play, or crafts. The afternoon session will consist of homework completion time, participation in free choice activities, arts and crafts, as well as inside and outside exercise and free play.

The Extended Day Care program is sponsored by the Board of Education and is supported by parent tuition fees. **The parent/guardian/custodian will be responsible for payment of any fees accrued from enrollment to withdrawal from the program.** All tuition fees must be kept current in order for child care services to be provided. Please refer to Monthly Care Payment Schedule and Monthly Care Fees on p. 4.

### **AM Care Arrival Procedures**

Parents must escort and sign their children in to the EDC room for before school care. EDC staff will release the children to their classrooms at the appropriate time.

### **PM Care Release of Children**

Parents, or authorized pick up individuals, must enter the EDC room to sign out their children from afternoon care and have proper identification available.

Children will only be released from after care to their parent(s)/ legal guardian(s), or individuals authorized by their parent(s)/ legal guardian(s) on the EDC registration form. Any changes to this list or blanket permission for additional authorized contacts to pick up must be made in writing to [mtpsedc@mtps.com](mailto:mtpsedc@mtps.com). If both parents do not have custody of child(ren), certified copies of court orders must be submitted to the EDC office.

If a parent or authorized pick up individual appears to be physically and/or emotionally impaired to the extent that in the judgement of the staff member, the child would be placed at risk or harm if released, the staff member may not release the child to that individual. In such cases, the staff member will attempt to contact the child's other parent or authorized adults. If such alternative arrangements cannot be made, the staff member shall call the Moorestown Township Police and/or the New Jersey Division of Child Protection and Permanency for assistance.

### **Late Pick Up**

The Extended Day Care Program closes at 6:00pm. If a child is not picked up by closing time, a staff member will contact the parent and/or authorized pick up individuals. **Late Pick-up, beginning at 6:01pm, will result in a charge to your account. The fee for late pick up is \$20, per child, per 15 minutes beginning at 6:01pm.** If you anticipate arriving after the 6:00pm closing time, please call the EDC cell at: 856-780-0502. A charge will still apply, however, this will allow the staff member to assure your child that you are on the way. **Persistent abuse of the 6:00pm closing will result in dismissal from the program.**

Thirty minutes after closing time, provided that other arrangements for releasing the child to a parent or authorized individual have failed, the staff member shall call the Moorestown Township Police and/or the New Jersey Division of Child Protection and Permanency for to seek assistance in caring for the child(ren).

### **PM Care Absence Notification**

Safety is of the utmost concern to us. EDC staff members are required to take afternoon attendance quickly to ensure all students have arrived as scheduled. The Extended Day Care central office maintains an active **cell phone line, 856-780-0502**, that is available for parent text or voicemail messages. For the safety of the students, **if your child will be absent from PM EDC, parents must text or call this number prior to 1:00pm**. Notes to the main office or teacher are not sufficient notice, as EDC may not receive them. **Failure to follow this procedure will result in a Finder's Fee charge of \$5 per occurrence.**

Please note: This is a central line for the three primary schools and the Upper Elementary School. **When reporting a child absent for after care, please include the child's full name and the school they attend.**

**If we have not been notified of an afternoon absence and a child does not report to afternoon Extended Day Care the following procedures will be followed:**

- EDC Staff will attempt to notify the parent
- EDC staff will report child missing to EDC office and manager
- Emergency contacts will be called if a parent cannot be reached (Please refer to Emergency Contacts below.)
- EDC's responsibility ends when contact with an emergency contact has been made. It is then the emergency contact's responsibility to continue contact with parents/guardians.
- If attempts to reach all contacts have been exhausted and the child has not been located, the Moorestown Township Police will be contacted.

### **Emergency Contacts**

In the event EDC is unable to reach a parent, authorized pick up individuals will be contacted. Please be sure your emergency contacts have been notified that you have listed them as such and will be available at the number you provided during EDC's operating hours. Ensure they understand you have authorized them to act on your behalf and will be expected to do so if contacted.

### **Information Change Procedure**

In order to ensure the safety and security of your child, please notify us in writing to [mtpsedc@mtps.com](mailto:mtpsedc@mtps.com) should any of the following occur:

- Change of home address or home phone number
- Change of cell phone number
- New place of employment or employment phone number
- Change in adults permitted to pick up your child

### **Snow Days and Emergency Closures**

The safety of our Extended Day Care staff and students is of extreme importance to us. Extended Day Care will not operate when school is closed due to an emergency school closing, or when all district staff has an early dismissal due to the weather. If all after school activities are cancelled due to weather, EDC will close prior to 6:00pm. Should this occur, parents or their emergency contacts will be notified of an adjusted EDC closing time. **To ensure you receive all emergency communications please text YES to 67587 to opt in to this system.** In the case of a delayed opening, before school care will begin two hours later, at 9:00am, and continue until school begins. After care will be held as usual.

## Early Dismissal Days and Full Day Holiday Program

### Early Dismissal Days

**With the exception of the day prior to Thanksgiving break, the day prior to winter break, and the last day of school, EDC will offer afternoon care on scheduled early dismissal days.** Afternoon care will be held immediately upon school dismissal and be available until 6:00pm. Early dismissal days are factored into the cost for students who are enrolled in EDC full time. With notice, Drop In coupons will be accepted on early dismissal days. If an early dismissal day occurs on a day your child does not typically attend EDC, a Drop In pass is required. Special programs, which impact this fee, are often scheduled for early dismissal days. Registration information for all early dismissal programs will be communicated in the monthly EDC News as they approach. EDC does not provide lunch on early dismissal days, therefore, parents must send their child with lunch. Snacks will be available for purchase.

### Full Day Holiday Programs

Full Day School Holiday Programs are held at the Upper Elementary School from 7:00am-6:00pm. Additions to the dates noted below, will be announced upon approval of the final 2020-2021 school calendar. EDC will not operate during Thanksgiving Recess, Winter Break, Spring Break, Memorial Day, or on National Holidays when school is closed. Additional registration and usage fees for School Holiday Programs will be required. The fee for Full Day Care is \$80. **Special programs, which impact this fee, are often available for Full Day Holiday Program days. Please consult the monthly EDC News for additional information.**

Programs on these days occur if adequate enrollment is received. Should a program no longer be offered due to low enrollment or school calendar adjustments, parents will be notified via e-mail and/or a telephone call. **All registration information, including registration deadlines, will be shared via the EDC monthly newsletter.** Drop In coupons are not valid for full day holiday programs. Credit for Holiday Program Tuition will only be issued if written cancellation is received by the registration due date. **EDC does not provide lunch on Holiday Program days, therefore, parents must send their child with lunch and snacks.**

Should a School Holiday Program have to be cancelled due to inclement weather, this information will be posted on our district website and/or parents will be notified via text, e-mail, or automated call. Accounts will be credited accordingly.

## **Health and Safety Practices**

The safety and health of children attending EDC are of primary concern to the staff and administration. The school buildings are maintained by the school district according to state rules and regulations. At least one staff member, who is CPR, AED, Epinephrine and First-Aid trained, is on site at all times and will only give care within the scope of their training.

### **EDC's health guidelines include:**

- Exclusion of children and staff with infectious diseases until they no longer present a health problem for themselves or others. Students must be fever free (temp. < 100°) for a full 24hours, without the use of fever reducing medicine, before returning to EDC or school.
- Frequent hand washing by staff and students.
- Sound food handling practices.

### **In the event of a child's illness during the program, any of the following actions may occur:**

- An attempt will be made to notify the parent (s) regarding the situation. Parents will be given an indication of any action which may be taken and/or if there is a need for the child to be picked up early.
- In case of emergency, the emergency squad (911) will be called.
- Parents please assist our health practices by planning for alternate care when your child is sick.

### **Medication**

With the exception of an Epi-Pen, staff members are not permitted to dispense medication. Non-nursing delegates can administer auto-injectable epinephrine in cases of severe allergic reaction to students identified as having severe allergies. Should this be required for your child, please refer to Epi-Pen Administration Permission Form, (p. 13) This emergency form must be completed and signed. An Auto-injectable epinephrine, labeled with your child's name, must also be provided.

During full day holiday programs a nurse will be hired to dispense medication once a day at noon, if parents notify EDC office upon registration. Per Board of Education policy 5330, *Any medicine to be dispensed by a school nurse must be given to the EDC office in the original prescription container.* Physician's order and parental permission form must accompany medications.

### **Injuries and First Aid**

In the event of an accident, the child will be treated with first aid supplies for minor abrasions and injuries. If there is any doubt, the child's parent/ guardian and/or the emergency squad will be called. An EDC staff member will complete a written accident report, which the coordinator will review.

### **Parents/guardians are asked to assist our safety practices by:**

- Dressing child appropriately for active play; sneakers and rubber-soled shoes are the safest footwear.
- Monitoring what your child brings for before and after school play and/or snack time that may be hazardous to himself/herself or others.
- Reinforcing appropriate play behavior.

### **Child Abuse Prevention**

The Division of Children and Families asks that the following information be disseminated to all parents and staff: "Any person who has reasonable cause to believe that a child has been, or is being, subjected to any form of hitting, corporal punishment, abusive language, ridicule, or harsh, humiliating or frightening treatment, or any other form of child abuse, neglect, or exploitation by an adult is required by state law to report such allegations to the DCF office of child abuse control or any other district office immediately. Reports may be made anonymously by telephone."

## Behavior Management and Discharge Policy

### **Expectations**

Our goal is to provide an enjoyable program that complements our academic experience. While attending the program, children will have the opportunity to choose activities designed to provide homework support, encourage creativity, and nurture exploration. By the nature of the type of program and time of day, the EDC program is designed to be more relaxed and less structured in nature than the school day. Respectable behavior in children is expected and district policies still apply.

Our staff will provide realistic, consistent, predictable routines and procedures that meet the needs, interests, and abilities of the children. Limits are set to ensure the safety of the whole group, to protect the rights of individual children, and to provide a positive atmosphere whereby children learn self-control and responsibility for their actions when acting alone or as part of a group.

### **Behavior Management**

If inappropriate behavior develops, staff will encourage the child to verbalize his/her feelings and help develop an understanding of why certain behaviors are not appropriate. If inappropriate behavior continues, staff will try to redirect the child to a new activity to change the focus. If the behavior continues, the child will be seated away from the group. MTPS EDC, under no circumstances, will use abusive language or corporal punishment toward a student. Our goal is to assist each child in recognizing age appropriate self-control and self-esteem while learning independence and respect for themselves and others.

The following steps, designed to be progressive in nature, will be implemented when a child does not follow behavioral guidelines:

- The child will be reminded of the behavior guidelines and EDC staff will explain to the child why their behavior is inappropriate.
- Staff will redirect the child to a more appropriate activity.
- Should the child be unresponsive to the steps noted above, a brief time-out will be given. During this period, and EDC staff member will again remind the child of behavioral expectations before allowing the child to return to the group.

If inappropriate behavior continues to be exhibited and/or becomes a regular concern, the parent/guardian will be notified by telephone and/or in written form. The problem will be identified and what corrective measure were attempted will be included.

- If the problem persists, a conference with the parent/guardian, site supervisor, and/or Project Manager will be scheduled to discuss appropriate next steps.
- **Should, at any time, a child's behavior poses an immediate threat to themselves, another child, or EDC faculty, the parent will be notified and expected to pick up the child immediately and short-term suspension or permanent discharge from the program may be warranted.**

## **Program Discharge**

While every effort to address behavioral concerns will be made, there are times a brief suspension or permanent discharge may be necessary. The following behaviors are unacceptable and **may result in immediate suspension or expulsion from the program:**

- Disruption to the program or refusal to follow behavior guidelines continues to occur after parent conference has been held
- Endangering or threatening to endanger the health or safety of others, including: self, other children, staff, or volunteers
- Theft or damage to site, program materials, or others' personal property
- Leaving EDC site without permission
- Use of profane, vulgar, or obscene language
- Acting in a lewd manner

The 2020-2021 Extended Day Care program will offer cooking activities throughout the year.

Please indicate your permission preference for these activities.

\*If we do not receive permission for your child to participate, they will join in an alternate activity during this time.
