Reframing: Moorestown Township Public Schools

Space – Security – Sustainability

Meeting Today’s Needs and Building for Future Success
Historic Population Trends
- last decade

Current Challenges
- PK, K/FDK, Elementary Grades 1-5

Future Considerations
- New Housing

Grade Level Reconfiguration
- PK-2, 3-5, 6-8, 9-12
- New Construction and Conversion Spaces (PK, K, Labs)
SECURITY

Building on a Firm Foundation
- CCTV, Security Vestibules, Proximity Cards, Door Locks, Lobby Guard Systems

Burlington County Board of Chosen Freeholders Grant
- HS Only – 1.2 Million
- Parity for Other Schools - Door Locks, Upgraded CCTV, Door Access Controls

Alyssa’s Law
- Mandatory Mass Notification Systems
SUSTAINABILITY

- Required/Mandatory Improvements to HS Site
  - Sidewalks, entrances, etc…
  - Additional Parking
  - Admin Building

- Financial Efficiencies
  - Window, Unit/Rooftop Ventilator (HVAC) and Generator Replacement, LED Lighting Upgrades, Electrical Upgrades

- Antiquated/Sub-Standard Spaces
  - Gymnasiums (flooring, AC, dividers, locker rooms)
  - Guidance Areas, Media Centers, Art Rooms
  - Asbestos Removal
Leading the Way!

Moorestown continues to be at the top of the charts – Academics, Athletics, the Fine and Performing Arts, Service, etc…

Moorestown continues to attract families and students that want a high-quality experience with high-quality results.

Moorestown continues to maintain high property values in large measure due to the quality of our school programs and facilities.

MTPS needs your continuing support to ensure that the standards you have built and expect remain for generations to come.
Communications

- Traditional media outlets, social media, webpage, email, HS TV
- Studio programming and broadcast phone and text messages
