

Science and Medicine Career Mentoring Opportunity
Attention: WAMS and MHS Students
Tuesday, February 12, 6:45-7:30, UES Cafeteria
All are welcome!

Thinking about a career in science or medicine?
Come to an informal mentoring event where you can talk to medical and science professionals about careers .

Local medical and science professionals will be on hand to discuss careers in engineering, research, emergency medicine, immunology, biochemistry, radiology, nutrition, and others.

Mentoring will take place **Tuesday, February 12, 6:45 -7:30 PM at the UES Cafeteria** as part of the Moorestown Science Fair *You can visit the mentoring tables without participating in the Moorestown Science Fair. No registration required to participate in career mentoring.*

The Moorestown Science Fair:

A fun, non-competitive, extracurricular event for all Moorestown students in grades K-12.

Plan a Science Project of your own, research it, experiment, record results, make conclusions, make a display and show your project.

Save the dates:

Kickoff meeting & Career mentoring - Tuesday, February 12, 6:30 -7:30 PM UES Cafeteria

Science Fair – Wednesday, March 20, 6:30-8:30 PM WAMS Gym
