Course Description and Fundamental Concepts

Honors French 4 reviews grammar skills already learned and introduces more advanced structures which allow students to extend the use of language to a more advanced level. With a strong influence on vocabulary building, students continue to develop language control, word sense, cultural awareness, and communicative strategies in French. Students read authentic literature, view French-language films, write compositions, and engage in sustained discussions based on the text and other documents presented in class. In addition to the history-based textbook, students will look at contemporary audio-visual resources that are directly related to the history and culture of France and the French-speaking world. Through this study of language, history and culture, they will be engaged in attaining proficient fluency in French in the three communicative modes (interpersonal, presentational, interpretive) in the Intermediate-Mid to Intermediate-High (ACTFL- NJSL) as defined in the Standards for World languages. In this penultimate level of pre-AP French, students will explore all 6 themes recommended by the College Board and many of the sub-themes as they relate to the content of this course.

Prerequisite: Successful completion of Honors French 3 with a final minimum grade of B and teacher recommendation.

Subject/Content Standards

Include grade appropriate subject/content standards that will be addressed

Interpretive Mode of Communication

Intermediate Mid learners understand and communicate at the sentence level and use strings of sentences independently to accomplish the following tasks: identify the main idea and some supporting details when reading, understand the gist and some supporting details of conversations dealing with everyday life, infer the meaning of some unfamiliar words when used in familiar contexts.

Core Idea	Performance Expectations
Learning a language involves interpreting meaning from listening, viewing, and reading culturally authentic materials in the target language.	<ul style="list-style-type: none">• 7.1.IM.IPRET.1: Explain the main idea and some supporting details on familiar topics from sentences and series of connected sentences within texts that are spoken, written, or signed.<ul style="list-style-type: none">• 7.1.IM.IPRET.2: With the help of graphic organizers, compare information (i.e., main ideas, main characters, settings) in culturally authentic materials related to targeted themes.• 7.1.IM.IPRET.3: React to oral and written instructions connected to daily activities and to some unfamiliar situations through oral and/or physical responses.• 7.1.IM.IPRET.4: Recognize the use of verbal and non-verbal etiquette (i.e., gestures, intonation, and cultural practices) in the target culture(s) to determine the meaning of a message.• 7.1.IM.IPRET.5: Use target language to paraphrase what is heard, viewed, or read in oral or written descriptions of people, places, objects, daily activities.• 7.1.IM.IPRET.6: Restate oral conversations and written information on a variety of familiar and some unfamiliar topics.• 7.1.IM.IPRET.7: Infer the meaning of some unfamiliar words in some new contexts.• 7.1.IM.IPRET.8: Use knowledge of structures of the target language to deduce meaning of new and unfamiliar structures.• 7.1.IM.IPRET.9: Use information gathered from culturally authentic resources to identify possible solutions to the effects of climate change.

Intercultural Statements	Possible Topics
Through the target language, learners identify and investigate typical products related to everyday life in the target culture(s) and in the learners' own culture. They use their insights to infer perspectives (attitudes, values, beliefs, the way a native speaker living in the target culture interprets meaning) of the target culture society.	Immigration, history, visual and performing arts, literature, climate, subject area content, population.
Learners recognize and identify a few typical practices of the target culture in order to gain understanding of the perspectives of the target culture(s) and their societies.	Awareness of climate change in the target language areas of the world, immigration effects on the target culture and the students' own cultures, population trends in the target culture(s) and the students' own cultures, reflection of a society in its fine and practical arts.

Interpersonal Mode of Communication

Intermediate Mid learners speak and write using sentences and strings of sentences when exchanging preferences, feelings, opinions, and basic advice on familiar topics. They ask original questions and a variety of follow-up questions as they participate in spontaneous spoken and written conversations. Intermediate Mid learners engage in short social interactions in everyday situations. They create original sentences and questions that allow them to usually say what they want to say about self and their everyday lives.

Core Idea	Performance Expectations
<p>Interpersonal communication between and among people is the exchange of information and the negotiation of meaning.</p> <p>Speakers and writers gain confidence and competence as they progress along the proficiency continuum.</p>	<ul style="list-style-type: none"> • 7.1.IM.IPERS.1: Engage in conversations about personal experiences or events, topics studied in other content areas, and some unfamiliar topics and situations. • 7.1.IM.IPERS.2: Interact with others to meet personal needs in a variety of familiar situations, creating sentences and series of sentences, and asking follow-up questions. • 7.1.IM.IPERS.3: Exchange preferences, feelings, or opinions and give advice on a variety of familiar topics, creating sentences and strings of sentences, and asking some follow-up questions. • 7.1.IM.IPERS.4: Use appropriate gestures, intonation, and common idiomatic expressions of the target culture(s)/language in familiar and some unfamiliar situations. • 7.1.IM.IPERS.5: Initiate, maintain, and end a conversation using appropriate target language expressions and sentences. • 7.1.IM.IPERS.6: Exchange information from a variety of resources with classmates about global issues, including climate change.
