[Course Description and Fundamental Concepts](#)

Sixth Grade Band is a course that offers the opportunity for any student to learn to play a woodwind, brass or percussion instrument while developing music literacy. Teaching is adapted to accommodate the needs and abilities of each individual child to ensure some degree of success regardless of musical aptitude or previous experience. Band students participate in small-group lessons in which they develop the specific skills needed for their particular instrument. Students also participate in a large-group rehearsal where they develop ensemble skills and etiquette by rehearsing a variety of repertoire in preparation for the spring concert performance. Band students gain a sense of responsibility, camaraderie and increased self-esteem by actively participating in a cooperative learning environment.
