15:10
much appreciate it uh I look forward to
15:14
serving in this role for another year um
15:17
I I do think that we have a very strong
15:20
board uh with very um helpful strong and
15:27
steadfast opinion that don't always
15:29
align uh that sometimes lead to Lively
15:33
debate both inside and outside of our
15:36
committee meetings but I think that is
15:38
healthy I think we have a lot to learn
15:39
from each other and uh I look forward to
15:42
to seeing us continue in that process
15:44
this year um and while we we may all
15:47
have different perspectives on things um
15:51
I'm confident that that everybody up
15:53
here has a common goal to do what's
15:56
right for the students and for the kids
15:59
and the young adults that that are in
16:01
the hallways of the mortown schools and
16:03
so thank you again for the vote of
16:05
support and I really do look forward to

16:50
