## WAMS Calculator Requirements

The type of calculator your student needs depends on the course in which your student is placed.

Please read the chart carefully and purchase the calculator that your student will need for the next school year based on the course your student will have in September.

If you are not sure of your student's Math Placement for next year, please log onto Genesis and look for the Math Placement Letter under the "Document" tab.

| If your student is enrolled <br> in this course... | Purchase this calculator. |
| :--- | :--- |
| Math 7 On-Level <br> Math 7 On-Level with Math Support <br> Math 7 Enriched | This course requires the use of a basic-function calculator, <br> such as the Canon LS-82Z (scientific calculators are NOT <br> permitted).
