3159 TEACHING STAFF MEMBER/SCHOOL DISTRICT REPORTING RESPONSIBILITIES

The Board of Education and all certificate holders shall adhere to the reporting requirements outlined in N.J.A.C. 6A:9B-4.3 and N.J.S.A. 18A:16-1.3. For the purposes of this Policy, “certificate holders” shall include all individuals who hold certificates, credentials, certificates of eligibility (CEs), and certificates of eligibility with advance standing (CEASs) issued by the New Jersey State Board of Examiners. For purposes of this Policy, the term “certificate” shall include all standard, emergency and provisional certificates, all credentials, and all CE and CEASs issued by the New Jersey State Board of Examiners.

All certificate holders shall report an arrest or indictment for any crime or offense to the Superintendent within fourteen calendar days of their arrest or indictment in accordance with the provisions of N.J.A.C. 6A:9B-4.3. The report submitted to the Superintendent shall include the date of arrest or indictment and charge(s) lodged against the certificate holder. Such certificate holders shall also report to the Superintendent the disposition of any charge within seven calendar days of the disposition. Failure to comply with these reporting requirements may be deemed “just cause” for revocation or suspension of certification pursuant to N.J.A.C. 6A:9B-4.4. The school district shall make these reporting requirements known to all new employees upon initial employment and to all employees on an annual basis.

The Superintendent shall notify the New Jersey State Board of Examiners when:

1. Tenured teaching staff members who are accused of criminal offenses or unbecoming conduct resign or retire from their positions;
2. Nontenured teaching staff members, including substitute teachers, who are accused of criminal offenses or unbecoming conduct resign, retire, or are removed from their positions;
3. A certificate holder fails to maintain any license, certificate, or authorization that is mandated pursuant to N.J.A.C. 6A:9B for the holder to serve in a position;
4. The Superintendent becomes aware that a certificate holder has been convicted of a crime or criminal offense while in the district’s employ; or

5. The Superintendent has received a report from the Department of Children and Families substantiating allegations of abuse or neglect, or establishing “concerns” regarding a certificated teaching staff member.

The school district shall cooperate with the New Jersey State Board of Examiners in any proceeding arising from an order to show cause issued by the New Jersey State Board of Examiners and based on information about the certificate holder that the school district provided.

The Superintendent shall also notify the New Jersey State Board of Examiners, in accordance with the provisions of N.J.S.A. 18A:16-1.3, whenever a nontenured, certificated employee is dismissed prior to the end of the school year for just cause as a result of misconduct in office. This notification requirement shall not apply in instances where the employee’s contract is not renewed. The Superintendent will comply with the additional notice requirements to the New Jersey State Board of Examiners in the event it is subsequently determined by a disciplinary grievance arbitration, a court, or an administrative tribunal of competent jurisdiction that the basis for the dismissal did not constitute misconduct in office. In addition, whenever the Superintendent notifies the New Jersey State Board of Examiners of an employee’s dismissal for reasons of misconduct in accordance with the provisions of N.J.S.A. 18A:16-1.3, the employee shall receive a simultaneous copy of the notifying correspondence.

In the event the Board of Education determines, pursuant to a tenure charge finding under N.J.S.A. 18A:6-10 or a disorderly person conviction under N.J.S.A. 9:6-8.14, that a teaching staff member has failed to report an allegation of child abuse in accordance with State law or regulations, the Board shall submit a report to the New Jersey State Board of Examiners that outlines its findings. The New Jersey State Board of Examiners shall review the certification of the teaching staff member to determine if the teaching staff member’s failure to report warrants the revocation or suspension of his/her certificate. In accordance with N.J.S.A. 9:6-8.14, any person failing to report an act of child abuse, having reasonable cause to believe that an act of child abuse has been committed, may be deemed a disorderly person.

No employee at any work site will possess, manufacture, use, sell, or distribute any quantity of any controlled substance, lawful or unlawful, which in sufficient quantity could result in impaired performance, with the exception of substances administered by or under the instructions of a physician. No employee shall perform safety-sensitive functions within four hours after using alcohol and the district will not permit an employee that used alcohol within four hours of performing safety-sensitive functions to perform such functions if the district has actual knowledge of the use, in accordance with 49 CFR 392.5.

Violations

Any violation of this Policy may result in discipline, up to and including termination.

Prohibited Substances

The presence of any of the controlled substances, listed in 49 CFR 40.87, in the body, as evidenced by the results of the initial screening and subsequent confirmatory analysis provided in this Policy, is prohibited for any employee assigned to a classification covered by this Policy. In accordance with 49 CFR 382.301(d), the Board will conduct pre-employment alcohol tests before the first performance of safety-sensitive functions by a new employee or someone who has transferred to a position involving the performance of safety-sensitive functions. The alcohol test will be conducted after making a contingent offer of employment or transfer, subject to the employee passing the pre-employment alcohol test. All alcohol testing will be completed in accordance with 49 CFR 40 et seq. An employee will not be offered employment and/or the transfer unless the result of the test indicates an alcohol concentration of less than 0.04.

An employee who has applied for and has been selected to operate a Board vehicle or any existing employee transferring into a new position requiring the employee to operate a Board vehicle, shall submit a written consent authorizing the Board to obtain the following information from other employers who have employed the employee during any period during the two years before the date of the employee's application or transfer into the new position. The DER will obtain and review this information before the employee first performs safety-sensitive functions. If this is not feasible, the DER will not permit the employee to perform safety-sensitive functions after thirty days from the date the employee first performed safety-sensitive functions, unless the DER has obtained or made and documented a good faith effort to obtain this information.

2. Random Testing

The minimum annual percentage rate for random controlled substances testing shall be twenty-five percent of the average number of driver positions. The minimum annual percentage rates may be adjusted as determined by the FMCSA Administrator in accordance with 49 CFR 382.305.

Employees shall only be random tested when performing safety-sensitive functions or immediately prior to or immediately following the performance of safety-sensitive functions.

3. Post-Accident Testing

- c. If the controlled substance test is not administered within thirty-two hours following the accident, the DER shall cease attempts to administer the controlled substance test and shall prepare and maintain on file a record stating the reasons the test was not promptly administered. Records shall be submitted to the FMCSA upon request.

(An employee who is injured in an accident and requires medical care, shall submit to post-accident drug and controlled substance testing by the medical care facility providing the treatment or a designee of the Board if the facility is unable to provide the testing.) Nothing herein shall be construed to prevent the employee from leaving the scene of the accident for the period required to obtain necessary assistance or to obtain emergency medical care.

4. Reasonable Suspicion Testing

The DER shall require an employee to submit to an alcohol and/or controlled substance test when the employee is observed by a supervisor or school official who is trained in accordance with 49 CFR 382.603 and causes the observer to have reasonable suspicion to believe the employee has violated 49 CFR 382 et seq. Reasonable suspicion must exist to require the employee to undergo a test and must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the employee. The observations may include indications of the chronic and withdrawal effects of controlled substances.

Reasonable suspicion alcohol testing is authorized only if the required observations are made during, just preceding, or just after

the period of the work day the employee is required to be in compliance with the testing requirements of 49 CFR 382 et seq.

Reasonable suspicion testing may be required of an employee while the employee is performing, just before the employee will perform, or just after the employee has ceased performing safety-sensitive functions.

If the alcohol test is not administered within two hours following the determination a reasonable suspicion test is required, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the determination, the DER shall cease attempts to administer the alcohol test and shall state in the record the reasons for not administering the test.

No employee shall report for duty or remain on duty requiring the performance of safety-sensitive functions while the employee is under the influence of or impaired by alcohol, as shown by the behavioral, speech, and performance indicators of alcohol misuse. The employee will also not be able to perform or continue to perform safety-sensitive functions until an alcohol test is administered and the employee's concentration measures less than 0.02 or twenty-four hours have elapsed following the determination that reasonable suspicion existed to require an alcohol test.

A written record of the observations leading to a reasonable suspicion test shall be made and signed by the supervisor and/or school official that made the observations. This record shall be made within twenty-four hours of the observed behavior or before the results of the test are released, whichever is earlier.

5. Return to Duty Testing

The district is not required to return an employee to a safety-sensitive position upon receipt of a confirmed drug and/or alcohol test.

The DER may recommend to the Superintendent of Schools the employee's employment be terminated depending on the circumstances.

The DER shall ensure that before an employee returns to duty requiring the performance of a safety-sensitive function, the employee shall undergo a return to duty alcohol test indicating a breath alcohol concentration of less than 0.02 and a controlled substances test with a result indicating a verified negative result for controlled substances use as required in 49 CFR 40.305.

Employees permitted to return to duty are required to take return-to-duty tests and shall be evaluated by a SAP. These employees must participate in an assistance program prescribed by the SAP and as required in 49 CFR 40 Subpart O.

The SAP will determine a written follow-up testing plan for any employee who has been permitted to return to work and has successfully complied with the SAP's recommendations for education and/or treatment. Such employees are subject to a minimum of six unannounced, follow-up drug screenings and alcohol tests over the following twelve months. The testing shall not exceed forty-eight additional months. Alcohol follow-up testing shall be performed only when the employee is performing safety-sensitive functions or immediately prior to performing or immediately after performing safety-sensitive functions. All follow-up testing will be completed in accordance with 49 CFR 40.307. The SAP will comply with all reporting requirements of 49 CFR 40.311.

The Board shall make the ultimate determination to return or not return an employee to a safety-sensitive position subject to any collective bargaining agreements, if any, or other legal requirements.

3. Fails to provide a urine specimen for any drug test required by this Policy. An employee who does not provide a urine specimen because he or she has left the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;
4. Fails to permit the observation or monitoring of providing a specimen in the case of a directly observed or monitored collection in a drug test;

7. Fails to undergo a medical examination or evaluation, as directed by the MRO as part of the verification process, or as directed by the DER under 49 CFR 40.193(d). In the case of a pre-employment drug test, the employee is deemed to have refused to test on this basis only if the pre-employment test is conducted following a contingent offer of employment;
8. Fails to cooperate with any part of the testing process (e.g., refuses to empty pockets when so directed by the collector, behaves in a confrontational way that disrupts the collection process, fails to wash hands after being directed to do so by the collector);

If an employee refuses to participate in a part of the testing process, the collector or MRO, must terminate the portion of the testing process, document the refusal on the CCF (including in the case of the collector, printing the employee's name on Copy 2 of the CCF), immediately notify the DER by any means (e.g., telephone or secure fax machine) that ensures that the refusal notification is immediately received.

A referral physician (e.g., physician evaluating a “shy bladder” condition or a claim of a legitimate medical explanation in a validity testing situation) must notify the MRO, who in turn will notify the DER. In addition, the collector must note the refusal in the “Remarks” line (Step 2), and sign and date the CCF. The MRO must note the refusal by checking the “Refused to Test” box (Step 6) on Copy 2 of the CCF, and add the reason on the “Remarks” line. The MRO must then sign and date the CCF. When the employee refuses to take a non-DOT test or to sign a non-DOT form, the employee has not refused to take a DOT test. There are no consequences under DOT agency regulations for refusing to take a non-DOT test.

6112 REIMBURSEMENT OF FEDERAL AND OTHER GRANT EXPENDITURES

The Cash Management Improvement Act (CMIA) and related Federal regulations require a State to minimize the time elapsing between the transfer of funds from the United States Treasury and the expenditure of funds for program purposes. This requirement applies to grantees such as the State of New Jersey and their subgrantees, such as a school district. The State of New Jersey and school districts must assure funds have been, or will be, spent within a minimal amount of time after having been drawn from the Federal government.

In accordance with this requirement, the New Jersey Department of Education (NJDOE) has implemented a reimbursement request system of payment. The procedures as outlined in the New Jersey Department of Education Policies and Procedures for Reimbursement of Federal and Other Grant Expenditures shall be followed by school districts in submitting reimbursement requests. Reimbursement requests for entitlement grant awards under the Every Student Succeeds Act (ESSA) Titles I, II-A, II-D, III, III Immigrant, IV and V of the No Child Left Behind Act (NCLB), the Individuals with Disabilities Education Act (IDEA), and the Carl D. Perkins Career and Technical Education Improvement Act of 2006, and any other program designated by the NJDOE shall be made using the NJDOE's Electronic Web-Enabled Grant (EWEG) System.

Reimbursement requests by the School Business Administrator/Board Secretary or designee shall be made for individual titles and awards using the payment functionality of the EWEG system. Reimbursement requests shall be made for individual titles and awards and only one reimbursement request per month may be submitted for an individual title, or award, or subgrant. Reimbursement requests may only be for expenditures that have already occurred or will occur within three business days of receipt of funds by the last calendar day of the month in which the request is made.

The submission of a reimbursement request constitutes a certification by the School Business Administrator/Board Secretary that the school district has previously made the appropriate expenditures and/or will make the expenditures within three business days of receipt of funds by the last calendar day of the

month in which the request is made and that the expenditures are allowable and appropriate to the cost objective(s) of the subgrant. Reimbursement requests must be in accordance with approved grant applications.

The Superintendent of Schools or designee is responsible for submitting an amendment application to the NJDOE for approval if a new budget category for which no funds were previously budgeted or approved has been created. The Superintendent of Schools or designee is responsible for submitting an amendment application to the NJDOE for approval if cumulative transfers among expenditure categories exceed ten percent of the total award or \$50,000 for IDEA, Perkins, and NCLB (per title); whichever is less. The Superintendent or designee is responsible for monitoring the cumulative ten percent level of fiscal change.

Reimbursement requests must be in accordance with approved grant applications. A reimbursement request may be submitted at any time after the subgrant has received final NJDOE approval. Reimbursement requests submitted at least ten business days before the end of the month but no later than the fifteenth day of the month will be reviewed and, if approved, processed for payment the first business day of the following month. School districts will normally receive payment by the fifth business day of the month and will be able to track the grant's payment history in EWEG through the payments link of the grant application.

Reimbursement requests must contain a brief description of the expenditures for which reimbursement is being requested. Individual line items need not be detailed. Expenditures must be supported by documentation at the school district level but should not be submitted to the NJDOE with a reimbursement request. The Superintendent of Schools or designee is responsible to maintain supporting documentation for seven years and for making it available to the NJDOE, the United States Department of Education, and/or their authorized representatives upon request. Documentation for salary expenditures is subject to the requirements of the Federal Uniform Grant Guidance applicable Federal Office of Management and Budget Circular: A-21, "Cost Principles for Educational Institutions;" A-87, "Cost Principles for State, Local, and Indian Tribal Governments;" A-122, "Cost Principles for Non-Profit Organizations;" and Education Department General Administrative Regulations (EDGAR). Documentation for all other expenditures must include evidence that the expenditures are allowable costs and of the relationship of the expenditure to the subgrant's cost objectives.

Reimbursement of Federal and Other Grant Expenditures

The NJDOE staff will review reimbursement requests to determine they meet the subgrant's criteria. When a reimbursement request is approved or denied, the school district will receive an email notification through the EWEG system. Approval of a reimbursement request by NJDOE does not imply approval of the expenditures as allowable or appropriate to the subgrant's cost objectives as the approval of expenditures will continue to be processed through the final report. The School Business Administrator/Board Secretary or designee assumes responsibility for assuring that all funds requested through the EWEG system either have already been expended, or will be expended within three business days of receipt of funds according to the requirements of the CMIA.
