Dear Kindergarten Parent:

We are excited to meet and welcome your child to the Moorestown Township Public Schools. Our Kindergarten program is a high quality learning experience that focuses on academic, social and emotional growth. Our teachers create an atmosphere that is purposefully inviting and welcoming. The curriculum is a balance of reading, mathematics, writing, social studies, science, art, music, computers, problem solving, physical education and hands-on learning activities that are aligned to Common Core State Standards.

For the 2021-2022 school year, MTPS offers you and your child two options for his/her kindergarten experience:

- **Option 1:** Half-day – AM Session only 8:40-11:40AM
- **Option 2:** Extended day – 8:40 AM-3:35 PM; \$4,000 for the school year.
Students eligible for free/reduced lunch - \$700 per year.

For the students that attend AM Kindergarten, he/she will be integrated into the classroom with the extended day students. Moorestown Board of Education Policy 2312 allows up to 22 students per kindergarten class.

Parents choosing the extended day kindergarten, at time of registration, will need to submit a \$ 400 non-refundable deposit, which will be credited as your September payment. Please make checks payable to MTPS. (Students eligible for free/reduced lunch will be required to leave a \$70 non-refundable deposit.) This deposit secures a seat for your child. There will not be a lottery, as we will provide the necessary classes to support the requests for the extended day program at each elementary school – Baker, Roberts and South Valley.

The Moorestown School District will provide before and after care for an additional fee. This Extended Day Care Program is available from 7:00 AM- 8:40 AM and from 3:35PM-6:00 PM. If you are interested in enrolling your child in this program, please visit www.mtps.com and select the Extended Day Care tab, or contact Lauren McGlone at mtpsedc@mtps.com or (856) 778-6600 x 18151.

When registering your child, please complete and turn in the registration portion found on the next page, indicating your school and session preference.

If you have any further questions, please feel free to contact me.

Sincerely,

Carole L. Butler
